

## Assignment Topics of CIA

Program: Bachelor in Science (Honors/Honors with research)

Semester: I

Session: 2024-25

Subject: Chemistry,

Maximum Marks: 10

Last Date of Submission: 19/10/2024

S.N.	Class Roll Numbers	1 <sup>st</sup> Assignment Topics
1	1-5	Chemical Techniques in Ancient India: Introduction and Examples
2	6-10	Contribution of Ancient Indian Scientists in Chemistry
3	11-15	Contribution of Ancient Indian Scientists in Metallurgy
4	16-20	Contribution of Ancient Indian Scientists in Dyes
5	21-25	Contribution of Ancient Indian Scientists in Pigments
6	26-30	Contribution of Ancient Indian Scientists in Cosmetics
7	31-35	Contribution of Ancient Indian Scientists in Ayurveda
8	36-40	Contribution of Ancient Indian Scientists in Charak Sanhita
9	41-45	Rishi Kanad : His Contribution & Books
10	46-50	Nagarjuna : His Contribution & Books
11	51-55	Vagbhatta : His Contribution & Books
12	56-60	Govindacharya : His Contribution & Books
13	61-65	Yashodhar : His Contribution & Books
14	66-70	Ramchandra : His Contribution & Books
15	71-75	Somadeva: His Contribution & Books
16	76-80	Gopalbhatta : His Contribution & Books
17	81-85	Aacharya Prafulla Chandra Ray : His Contribution & Books
18	86-90	Contribution of Ancient Indian Scientists in Metallurgy
19	91-95	Contribution of Ancient Indian Scientists in Dyes
20	96-100	Contribution of Ancient Indian Scientists in Cosmetics
21	101-105	Contribution of Ancient Indian Scientists in Ayurveda
22	106-110	Contribution of Ancient Indian Scientists in Charak Sanhita
23	111-115	Nagarjuna : His Contribution & Books
24	116-120	Ramchandra : His Contribution & Books
25	121-125	Aacharya Prafulla Chandra Ray : His Contribution & Books
